

19th Annual Meeting of
the Egyptian Vascular Club (EVC)

21th International Annual Conference
of Vascular Society of Egypt (VSE)

Recent Advances and New Techniques
in Vascular and Endovascular Surgery

15th – 16th May 2025

Tolip Hotel Alexandria, Egypt

Welcome Message

Distinguished colleagues and esteemed vascular surgeons,
On behalf of the Egyptian Vascular Club, and Vascular Society of Egypt, we extend a warm welcome to all of you attending the 19th EVC, and the 21st international annual congress of the VSE.

This year the EVC is celebrating his 25th year anniversary by collaborating with VSE. in a joint conference between EVC & VSE . As this cooperations has extended for many years it will undoubtedly add opportunities for scientific benefit to all practitioners of vascular surgery in Egypt.

We hope that it will enable us to re-issue the conference booklet that we are accustomed to issuing. It will also enable us to host a larger number of experts from around the world to benefit from their expertise and exchange their experiences.

The Congress. This year's theme, "Recent Advances and New Techniques in Vascular Surgery," promises to be an exciting exploration of the cutting edge in our field. We are delighted to have you join us for this momentous occasion.

This congress offers a unique platform to share knowledge, exchange ideas, and foster collaboration within our vascular surgical family.

Prepare to engage in stimulating discussions, and learn from renowned experts, and discover groundbreaking advancements shaping the future of vascular surgery.

Furthermore, the Egyptian Vascular Club and the Vascular Society of Egypt remain dedicated to nurturing the next generation of vascular surgeons.

young surgeons with the latest knowledge and techniques, ensuring a bright future for our specialty.
